EDUCATION

- **Ph.D. Social Psychology**, *Quantitative Psychology Minor* (expected June 2018)
University of California, Davis
- **M.A. Social Psychology** (2015)
University of California, Davis
- **B.S. Psychology** with High Distinction, *Sociology and Neuroscience Minors* (2010)
Phi Beta Kappa Honor Society
Indiana University Bloomington

RELEVANT SKILLS

- **Statistical Analysis:** Analysis of variance, regression, multilevel modeling, structural equation modeling, categorical data analysis
- **Programming and software:** R, SPSS, SQL, Qualtrics, jsPsych, Inquisit, MediaLab, DirectRT, GPower
- **Experimental and survey research**
- **Communicating clearly** to a range of audiences
- **Awareness of multicultural issues** and issues affecting underrepresented groups

PROFESSIONAL EXPERIENCE

- **Doctoral Student Researcher, Social Cognition Lab**, UC Davis (2012 – present)
 - Managed and collaborated on multiple lines of experimental psychology research, covering topics in social perception, stereotyping, stigma, and intergroup bias
 - Supervised two undergraduate honors theses and managed a team of research assistants to assist with implementing lab experiments
 - Conducted literature reviews, wrote research proposals, designed and programmed research experiments, analyzed data, delivered oral presentations, and published research articles
 - As a course instructor and teaching assistant, delivered class lectures, guided students with writing assignments, graded papers, and addressed students' concerns
- **Research Assistant, Social Cognition Lab**, Indiana University Bloomington (2010 – 2012)
 - Designed and conducted experiments on the effects of stereotype threat-related decrements in women's math performance
 - Assisted with research experiments on attitudes and stereotype threat
- **Math Instructor**, Sylvan Learning Center (2011 – 2012)
 - Led individualized instruction with K-12 students in math essentials, algebra, geometry, calculus, and SAT math preparation
 - Explained material in a clear and accessible manner to students with diverse learning needs

LEADERSHIP

- **Volunteer Member, Staff Diversity Administrative Advising Committee**, UC Davis (2016 – present)
 - As a group, advise the Chancellor and Provost on issues related to staff diversity, equity, and inclusion
 - **Affirmative Action Subcommittee Co-Chair** (2017 – 2018)
 - Review the annual affirmative action report on employment of women, racial minorities, veterans, and people with disabilities
 - **Staff Diversity Data Workshop Facilitator** (2017)
 - Guided the review of university staff demographic data
 - As a group, made recommendations for promoting staff interests which led to a white paper report for university administration

PROFESSIONAL WORKSHOPS

- **Behavior Change**, Summer Institute in Social and Personality Psychology, University of Southern California (July 2017)
 - The psychology of behavior change and its applications in health, performance, intergroup bias, technology, and prosocial behavior
- **Big Data Workshop**, Summer Institute in Social and Personality Psychology, University of Southern California (July 2017)
 - Applied machine learning techniques
- **Data Carpentry: R for Reproducible Scientific Analysis**, UC Davis (June 2016)
 - Data management, data visualization, and statistical modeling in R
- **Understanding Diversity and Ally Development**, UC Davis (September – December 2013)
 - Developing cultural competency and being an ally for marginalized groups

PROFESSIONAL AFFILIATIONS

- UC Davis Data Science Initiative, Graduate Affiliate
- Society for Personality and Social Psychology
- Society for the Psychological Study of Social Issues
